**District 60**

## **ALIGNMENT REPORT 2018-2019**

Draft 1, March 12, 2018

**David Veights, DTM, Alignment Chair**

Every year District 60 undertakes a review of the distribution of Clubs, Areas and Divisions within the District in accordance with Toastmasters International rules. The purpose of the review is to establish an alignment of Clubs, Areas and Divisions that enables the District Officials, especially Area Directors and Division Directors, to effectively serve the District's Clubs and members at the start of the next Toastmasters Year. Key factors when considering changes in alignment, as described in the District Leadership Handbook, include:

- At least 3 Areas per Division
- 4 to 6 Clubs per Area
- Geography
- Distinguished Programs
- Growth and loss of Clubs
- Strategy focused on the benefits for all

The following pages provide a listing of clubs by Area and Division in District 60 based on information available on the Toastmasters International website as of March 3, 2018 for a listing of current clubs (including newly chartered and suspended clubs) and a listing of prospective clubs. Of the clubs included in the Alignment Report, including (since the beginning of the year on July 1, 2017) seven newly chartered clubs, twelve prospective clubs and eleven suspended clubs.

Proposed changes in Club alignment are indicated in **bold text**, along with a brief explanation of the reason for the proposed change. Where a club has been suspended, is projected to be suspended, or is recommended to be moved to another Area, ~~strikethrough~~ has been added to show that the club will not be counted in the new alignment for that particular Area. Changes made to this report subsequent to the version prepared for the Appreciation Brunch held on March 18, 2018 are shown in **bold italics** (or in the case of a prospective suspension, **~~bold italic strikethrough~~**).

This report will be presented at the District Council Meeting for action on Saturday, April 21, 2018 at the Spring Conference, with the understanding that this document is a "Living Document" and will continue to be subject to further refinement until the end of the current Toastmasters Year.

In conclusion, I want to thank the following volunteers for their hard work while serving on the Alignment Committee:

Allan Madonik  
Carey Huang  
Aneeta Pathak
